### □ Course Information

Course Description	The purpose of this course is to introduce students to the history and institutions Korean politics. The course is divided into two parts. Part I examines the historical trajectory of Korean politics. Part II deals with major political institutions and actors in Korea. Class will be conducted in a seminar consisting of lectures, student participation, and discussions. Each session, a student (or a group of students) will present a critical review (no longer than five pages, double spaced) of each week's readings. Students are also required to submit and present a short, one-page critical review of each session's readings. There will be a final exam. If necessary, the contents and/or format of the course can be somewhat changed
Course Evaluation	Class participation 10% Critical review/note and presentation 30% Midterm exam 30% Final exam 30%  <b>Attendance</b> will be important for keeping up with class. Good attendance and <b>active participation</b> will be reflected in grade.
Course Materials	Required readings will be provided on-line in advance.
Class Policy	<i>(Insert as necessary)</i>
Etc. <i>(e.g. Guidelines)</i>
